No first-up form, but in nicely this grade on the limit. Each-way at value. Races best fresh & has form at the track and distance. Has trialed ok. Has returned in winning form. Cold rider Bowman needs to be positive. Clearly capable of winning, first-up back on the dry. R Quinn's a worry.

Has a lot of natural ability. Still may be going places. Watch market. Another capable of winning. Won 1st-up and goes just as well 2nd-up. Change of rider a big plus here, from the good draw. Talented.
