Virage De Fortune (6)	Ticklish (2)	Miss Andretti (1)	Rewaaya (5)

⇐ **INSIDE RAIL**

Mr Racing's Predicted Finishing Order:

1 st	7 VIRAGE DE FORTUNE (D.Oliver)	\$3.00	Flying machine unbeaten over 1000m. Will be on speed out of trouble
2 nd	6 Miss Andretti (C.Newitt)	\$3.30	Few better sprinters in the land than her. Unbeaten first-up & at 1000m
3 rd	8 Rewaaya (D.Dunn)	\$5.50	Beaten a length by Takeover Target this race last year. Top class mare

Followed By:

3 California Dane (C.Brown)	\$9.00	Track specialist. Flying here this time last year. Big hope on best form
5 Strada (C.Munce)	\$15.0	Lightly raced Danehill with a lot of ability. This may be a bit slick for him

Summary:

The mares dominate here. Over 1000m, I like **Virage De Fortune**. Both she and **Miss Andretti** are unbeaten at the track and distance, however I prefer the speedster Virage De Fortune over the shorter course, with the trouble-free run, smoking on-speed. If it was 11-1200m I would be all over **Miss Andretti**. Even stablemate California Dane would rate highly if this was over 1200. If it was over 1400m, then I would lean towards **Rewaaya**. She comes into contention in this if something like Ticklish or Any Suggestion makes a nuisance of themselves. Three super mares, but going with the natural speed today of Virage De Fortune.
