Rated Comments:

1st	9 GOLD EDITION (S Katsidis)	\$2.80	One of the best sprinters in the land, perfectly placed here at 1200m.
2nd	1 Undue (S Arnold)	\$4.50	Consistent and underrated WFA performer. Won't be far away
3rd	4 Here De Angels (C Brown)	\$5.00	Speedy talent who will run time and be in this right down to the wire.

Betting Suggestions:

Bet *Gold Edition* to WIN most & *Undue* to profit on the race. Save (break square) through *Here De Angels*.

Race Summary:

The more I look at this race, the more I'm convinced that this is a race in 3, with **Gold Edition** the bombproof bet of the 3 runners. Gold Edition was around the even money mark in a less suitable race first-up, racing over 1000m, which she hadn't done for over a year prior. Today she goes to 1200m where her record is impeccable, with 10 wins and 4 placings from 16 attempts at the trip (her 2 unplaced efforts being lightyears ago in the Golden Slipper and Magic Millions). Be on her with confidence, as she will give a huge sight today. **Undue** will be forced to give her a start and this is admittedly not the best track for him. The best horse placed under WFA conditions. Will figure with any luck. **Here De Angels** is a rising sprinting talent who toppled Gold Edition last start, but had clearer running than her. I envisage the tables being turned today at 1200m. Save on him in case he's "really" good. Monet Rules, Husson Lightning and Universal Queen may come for a little support, but they would be better placed elsewhere. Wonderful World's another horse to save for another day. Wait till he gets to Caulfield 3rd or 4th up.
