### Mr Racing's Selections:

- 1<sup>st</sup>    **3 MARASCO** (D Beadman)
- 2<sup>nd</sup>    11 Miss Finland (C Williams)
- 3<sup>rd</sup>    4 Maybe Better (C Brown)

### **Rated Comments:**

- \$2.00 Stamped himself as the real deal last start. Go on with it now.
- \$2.50 Absolute class act. 2<sup>nd</sup>-up at 1800m, but can't ever be discounted.
- \$11.00 Cups hopeful doing everything right in preparation. Will be running on.

### Best Roughie:

- 5 King Of Ashford (S Arnold)    \$31.00 In a race with very few knockout chances. Looks the boilover runner.

### Betting Suggestions:

Win Bet Marasco.

### Race Summary:

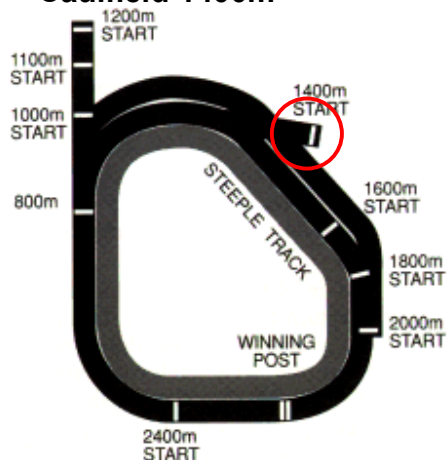

Two very very good gallopers that are hard to split. I have reversed the current TAB market. I think that **Marasco** is the worthy favourite here. 4<sup>th</sup> up and hitting top form. He takes on the best mare in the land in **Miss Finland** who has a different ask. She is second-up at 1800m and if vulnerable at all this prep, it may be today. I'm comfortable in backing her to turn the tables later in the prep. **Maybe Better** is warming nicely towards the cups. Continues to be found out at Weight For Age level, however they are starting to get up to achievable distances for him to figure. Again, waiting for the drop to 53kg and the 2400m this circuit, before I stick him on top with confidence. **King Of Ashford** is second-up and races well at the track and distance. Perhaps one for the roughie punters and multis players.

### Mr Racing's Selections:

### **Rated Comments:**

<b>1<sup>st</sup></b>	<b>9 BON HOFFA</b> (V Duric)	\$5.00	Consistent performer deserved of a major race win. Perfectly drawn.
<b>2<sup>nd</sup></b>	1 Undue (S Arnold)	\$7.50	Classy and underrated Sprinter who looks well placed in this.
<b>3<sup>rd</sup></b>	14 Dr Nipandtuck (S Baster)	\$8.00	Caught the eye in the Group 1 Manikato. Extra furlong in his favour.

### Best Roughie:

10 Monet Rules (P Mertens)	\$16.00	Will go forward in this and give a sight.
----------------------------	---------	---

### Betting Suggestions:

Bon Hoffa to WIN. Undue to SAVE. Consider a LAY for Divine Madonna if layable odds.

### Race Summary:

**Bon Hoffa** is yet to win on the big stage, but he deserves a crack at this after 2 impressive wins this time in. Drawn to get the run of the race and looks awfully hard to hold out. **Undue** will go back from his awkward alley and hit the line hard off the back of a solid tempo. Weight For Age sprinter carrying a kilo and a half under weight for age. **Dr Nipandtuck** is a perennial placegetter, and should nearly place again today. Drawn to be wherever he wants to be today, and may be closer up in the run. **Monet Rules** maybe the blowout horse, going forward in the race. Watch for any biases throughout the day.
