Mr Racing's Selections:

- 1st** **2 EL SEGUNDO** (L Nolen)
2nd 5 Haradasun (D Oliver)
3rd 6 Marasco (M Rodd)

Rated Comments:

- \$4.00 Battling Miss Finland for Cox Plate favouritism. Both are a class above.
 \$6.50 Gallant to the line with El Segundo last start. Needs luck from the alley.
 \$8.00 Every hope last start and disappointing. Forgiving one last time.

Best Roughie:

- 13 Molotov (C Williams) \$16.0 Knockout chance drawn to get the gun run. Consider in all multis.

Betting Suggestions:

Win Bet El Segundo.

Race Summary:

With a suck run into the race, **El Segundo** will prove why he is the only horse who can beat Miss Finland on Grand Final Day (Cox Plate). No queries about him at the trip, and he is warming nicely to the task. The horse they have to hold out. **Haradasun** has drawn poorly and will probably race a little wide with cover. Either that or go right back. He is still good enough to fill the placings, but it is not ideal in a race of this quality. **Marasco** remains a query at the distance, with a big Flemington 2000m. He has been off the bridle a long way from home in lead-up runs, suggesting he may appreciate the grind. On notice. **Molotov** and **Efficient** represent the knockout chances in the race. Mares **Devil Moon** and **Eskimo Queen** will be better placed in a handicap (Caulfield Cup), but are racing very well and won't disgrace themselves.
