- 2nd 3 El Daana (D Dunn)
- 3rd 1 Jestatune (M Rodd)

Rated Comments:

- \$6.00 Nicely drawn to race handier today. Big hope from the first half of field.
- \$6.00 May be better placed in the Wakeful, but chance again in this from 2.
- \$7.00 Assess on previous form when a slashing runner-up to Gabbidon.

Best Roughie:

- 8 Serious Speed (D Nikolic) \$10.0 Did good things from the tail of the field, out wide in the Manifold.

Betting Suggestions:

Don't break bankroll! Each Way **Riva San** & 1x3 **El Daana**. Dutch book with **Jestatune** included if market permits.

Race Summary:

The race lost so much interest with the likes of Gabbidon, Royal Asscher, Sleek Chassis, Chinchilla Rose, Downhill Racer, Belcentra and Tan Tat De Lago all missing for one reason or another. It has left it extremely open, and I'm looking for value and to two lightly raced fillies from top yards to fight this out, with the Manifold the key form race. **Riva San** and **El Daana** are both coming off good runs in this feature lead-up (Manifold), and have both drawn very well. I expect a good sight from both runners, who are race fit and talented. I could quite easily have **Jestatune** on top of both of them. The Manifold favourite didn't get the best of luck in the straight in that event, but was a worthy favourite on the back of an excellent 2nd to previous 1000 Guineas favourite Gabbidon. Definitely include her if all three runners can be backed for a nice profit, without breaking the bank. I'm hoping this is possible, by risking fancies Absolut Glam and Arcadia from their alleys, based on my map. 5/1 the field for mine.
