Rated Comments:

\$2.30 Top shelf sprinter-miler. Goes enormous fresh. Yet to win at the track
 \$5.50 Very smart booking. Childs rides this track so well on this sort of horse
 \$7.00 A change of rider won't hurt her, and one of the best at that. Go well
 \$9.00 Last start winner. Loves the track, loves the trip. Include in all multis

Betting Suggestions:

5 Units Win #2 Apache Cat
 1x2 Units #1 Dance Hero

Lay Propositions:

#5 Stanzout – Will be huge unders if he's only just into double figure odds. More a Flemington horse. Easy risk.

Race Summary:

I'm on a hiding to nothing now, with **Apache Cat** on top! I was going to wait for him, second up over 1200m and he came out and won impressively first-up over 1000m when I was risking him against the speedy Gold Edition. That was a horrible mistake. He is an outstanding fresh (first AND second up) horse. Despite no wins on the strathyr circuit at Moonee Valley, he looks even better placed today than when he won the Lightning first-up. **Dance Hero** will give a big sight around the shorter circuit. Expect Childs to boot for home at the 400m mark and he will give them a fright. **Miss Finland** has an excellent record over 6 furlongs, despite no form at the Valley. ANOTHER great rider booking. Expect the classy mare to be rattling late. **Let Go Thommo** looked good a very suitable race last start. Takes on hotter sprinters today but can figure again for the minors.
